DATE:

**November 28-29, 2024**

VENUE:

**Centro Cultural de Belém – Lisbon, Portugal**

In tune with the global dialogue on safe, balanced, and effective solutions for mass litigation, the **Brazil-Europe Integration Forum (FIBE)** will host the **Forum on Economic and Social Impacts of Mass Litigation** in Lisbon on **November 28 and 29**. This event, gathering leading international experts, aims to advance discussions on solutions that minimize economic impacts while prioritizing social benefits, particularly in protecting victims within collective reparation lawsuits. The topic has gained global attention due to its significant economic and social implications. More details about the Forum on Economic and Social Impacts of Mass Litigation are available on its official website.

**Note:** Lunch will be served at the event site.
